From The East

Brethren,

One of the more blessed recognitions a mason may have is the Lewis Jewel. This recognizes a familial line of masons. I have nominated both Robert Bean Jr and Robert Bean III for this award. Both have served masonry over their lifetimes and are recognized by our lodge as such. The other family I have nominated is Philip Colburn III and Philip Colburn Jr. Phil can trace his line of masons back to his Gr, Gr, and Grandfather. Again both families contributions to our lodge are too numerous to mention. Those of us who have fathers and sons where this is not the case is envious of the bond that masonry brings between generations. More congratulations are in order for Wor. Wooff for receiving the Jeremy Ladd Cross award. This is the highest award a mason may get in the state of N.H. Our lodge has been most fortunate to have such great masons work in the quarries for us. More thanks are in order to the lodge for the excellent Fellowcraft degree. All worked and practiced hard to make this so. We also had all officers and representative attend the grand lodge meeting.

For the month of June, Thursday the 1st, M&W Meeting Jewell Lodge, Sunday the 11th the last breakfast of the season. Monday the 12th stated meeting, I will be doing dinner (belch) in honor of Jack Caynon, also the education program, take you're no doze. Thursday the 22nd Masters class in Salem. Monday the 26th, Square and Compass meeting. Sunday the 11th and the 18th practice for the E.A. degree held on Wednesday the 21st. We hope to give our new member a proper welcome. Phoenix lodge has their stated on June 9th in Tilton. Wor. Bean will be acting Master lets have some brothers on the sidelines in support. A full schedule indeed before we go dark for the summer. The summer should be busy for upkeep and improvements to the lodge building. Keep an eye out for notices.

Yours in Masonry
